

## STUCK

*I do not understand ....*

*I do not know what to do about ....*

*I cannot see how to .....*

*I cannot see why ....*

## AHA!

*Try ....*

*Maybe ....*

*But why .... ?*

## CHECK

*Check your calculations and reasoning immediately.*

*Check insight on some other examples.*

*(specializing)*

*Check resolution does resolve the original question.*

*(generalizing)*

## REFLECT

*Write down key ideas.*

*Write key moments that stand out in your memory.*

*Consider what you can learn from the experience.*
