

Week 4

A Square of Numbers

Can you put the numbers 1 to 8 into the circles so that the four calculations are correct?

$$\begin{array}{ccc} \textcircled{?} \div \textcircled{?} = \textcircled{?} \\ - \textcircled{?} \quad \quad \times \textcircled{?} \\ \hline \textcircled{?} + \textcircled{?} = \textcircled{?} \end{array}$$

Ordered Ways of Working Upper Primary

Having an ordered way of going about this activity will really help. This might mean using the information given in a particular order or perhaps approaching the task in a methodical way which reveals patterns, helping you reach a solution.
