Working together to make a difference and achieve success for all

Instructions

The tasks below will provide your child with opportunities for learning whilst they are not in school.

Challenge Task

Teach yourself a new skill.

Remember to be **curious**, to **concentrate**, **challenge** yourself, **communicate** with others and be **creative**. There are many other worthwhile learning activities you could choose to do and we look forward to hearing about some of them when we are all back together.

Towards the end of the holiday perhaps you could draw a picture or make a card for your new teacher to introduce yourself! Or for your previous teacher to say hello!

Thursday

Placing numbers on a number line. Try this challenging activity. Start with 0-10 or 0-20 and see if you can position the flag in the correct place along the line. You can choose to see the divisions if you wish

Some revision of the 'g' sound. After watching the video try and practice writing small and capital 'g' and saying their sounds. Perhaps you could make lists of things beginning with g such as animals, toys, places, people you know etc

<https://www.bbc.co.uk/cbbc/joinin/six-badges-of-summer>

Over six weeks in June and July, we will be celebrating a different Blue Peter badge a week and asking you to show us how you are getting on by sending in your photos and videos. We're calling it Blue Peter's 6 Badges of Summer. Green, Sport, Music, Blue, Fan Club and Silver – 6 Blue Peter Badges you can earn right now!

There are probably friends and family members you still cannot see or spend time with. Give them a call or send them a message to brighten their day!

Friday

Following a recipe requires literacy and numeracy skills. If you have butter, sugar and flour at home you could ask an adult to help you make these cookies. If you have allergies or intolerances you may be able to substitute the ingredients you can't have

https://www.biggerbolderbaking.com/3-ingredient-shortbread-cookies/?utm_source=pinterest&utm_medium=social

Search for 'Cosmic Yoga' on YouTube and choose one of the many episodes to join in with.

Give someone you love a big Friday hug!
